# The Hare and the Tortoise

There once was a speedy Hare who bragged about how fast he could run. Tired of hearing him boast, the Tortoise challenged him to a race. All the animals in the forest gathered to watch.

The Hare ran down the road for a while and then and paused to rest. He looked back at the tortoise and cried out, "How do you expect to win this race

when you are walking along at your slow, slow p a c e ? "

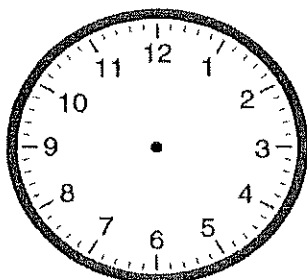

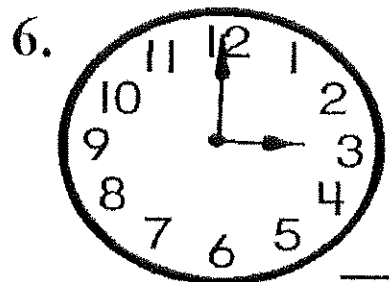

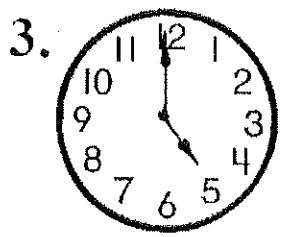

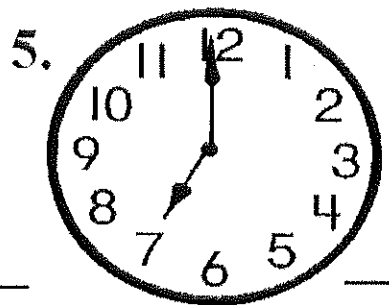

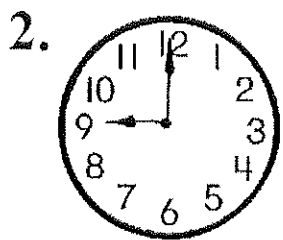

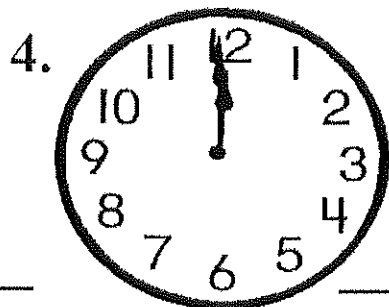

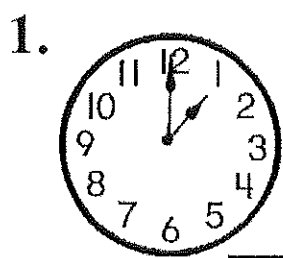

The Hare stretched himself out alongside the road and fell asleep, thinking, "There is plenty

of time to relax." The Tortoise walked and walked; never ever stopping until he came to the finish line.

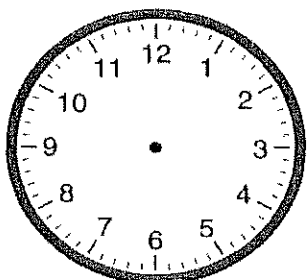

The animals who were watching cheered so loudly for Tortoise, that they woke up Hare. The Hare stretched and yawned and began to run again, but it was too late. Tortoise was already over the line.

**MORAL: SLOW AND STEADY WINS THE RACE**

## Regte en verantwoordelikhede

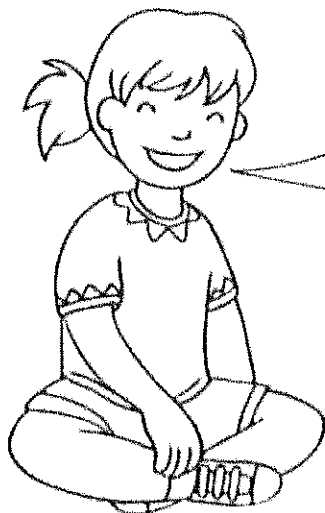

### Verduideliking:

- **Regte** – Dit kan beteken dat jy 'n **wettige reg** het om **iets te hê** of om **iets te doen**. Dit beteken dat as jy die reg het om **iets te doen**, dan is dit die wet dat niemand jou kan keer om dit te doen nie. As jy die reg het om **iets te hê**, dan is dit die wet dat niemand jou kan keer om dit te hê nie bv. Jy het die reg tot opvoeding.
- **Verantwoordelikhede** – Dit is die **verpligting** wat ons het om na te kom wat verband hou met die regte wat aan ons toegeken is bv. Jy het die verantwoordelikhede om jou tuiswerk te doen wat verband hou tot jou reg tot opvoeding.

# Wat Is Jou Regte en Verantwoordelikhede?

Ons is almal mense wat saam in een wêreld leef. As mense, het ons regte en verantwoordelikhede teenoor **onself** en **mekaar**.

- Kan jy aan al **jou** regte dink?
- Kan jy aan verantwoordelikhede teenoor **jouself** en **ander** dink?

My Regte	My Verantwoordelikhede
Ek het die reg op 'n veilige woonplek.	Ek het die verantwoordelikheid om respek aan ander te toon.
